NEWS RELEASE

October 5th, 1965.

FOR IMMEDIATE PUBLICATION.

Professor Arthur Lermer, Chairman of the Department of Economics at Sir George Williams University and winner of a Canada Council Grant just returned to Montreal after a one year leave of absence in Europe.

He studied Compatibility of Democracy, Initiative of the Private Sector and Economic Planning. Professor Lermer reviewed and scrutinized the role and interaction of organized groups in the economic process. He also concentrated some of his research on such groups as trade unions, manufacturers' associations, farmers and scholars.

His first stop was in La Haye, Holland, where he was associated with the Dutch Economic Planning Bureau. He proceeded to Stockholm where he continued his work with the Department of Economics. In the early part of 1965, he joined the Commissariat de Planification in Paris. Professor Lermer also conducted a seminar on "Planning" at the University of Padua. In May, he attended the International Research Congress in Berlin.

Should you wish to write a feature story on Professor Lermer and/or his trip, please do not hesitate to contact him at 844-0131, local 212.
